## **ABM Joins Sustainability 50**

### ***ABM's Commitment to Sustainability Strengthens on Earth Day 2014***

**New York, NY - April 22, 2014 - ABM (NYSE:ABM)**, a leading provider of facility solutions, announced today that it has joined the prestigious 'Sustainability 50', part of the World 50. The World 50 is an organization that brings together senior executives from Global 1,000 companies to share ideas, solutions and collaborative discovery.

"We're proud to join this exclusive group of companies whose sustainability initiatives are helping shape the way we think about doing business," said Alan France, ABM Director of Sustainability, Environmental Services. "ABM is committed to building long-term value for our stakeholders and the community at large through positively impacting the environment. Across each of our businesses, ABM has seen the market demanding environmentally friendly solutions and we're working hard to deliver on those needs. With Earth Day 2014 upon us, we are proud of the momentum we've seen and believe our participation in the Sustainability 50 will further accelerate our sustainable innovation."

In support of Earth Day 2014, ABM is also highlighting its [ABM's GreenCare® program](#) and its various initiatives across a number of the company's key service markets through social media.
