Item 2.05. Costs Associated with Exit or Disposal Activities

On September 2, 2015, the Board of Directors of ABM Industries Incorporated (the “Company”) approved a comprehensive strategy and transformation initiative to drive long-term profitable growth and enhance shareholder value (the “Strategic Initiative”). As part of the Strategic Initiative, the Company will, among other things, implement an organizational realignment, leveraging the Company’s scale to manage costs more efficiently and effectively, and explore strategic alternatives for its security business. The Company expects to incur pre-tax restructuring costs ranging from \$45 million to \$60 million related to the Strategic Initiative, the majority of which will be incurred through the third quarter of fiscal 2016. The Company estimates the range of amounts for each major type of costs expected to be incurred is as follows: (a) employee severance from \$17 million to \$20 million; (b) external support fees from \$14 million to \$19 million; (c) other project fees relating to the Strategic Initiative and related one-time costs from \$7 million to \$8 million; (d) real estate consolidation expenses from \$5 million to \$10 million; and (e) potential write-down of certain investments from \$2 million to \$3 million. All costs are expected to be cash charges except for the potential write-down of investments referenced in clause (e) in the immediately preceding sentence.
